UNITED STATES SUPREME COURT RECORDS AND BRIEFS

Preface to the Index of Part I

1832 - 1860

For 1832-1860 the cases in the Jenkins collection were not arranged in the sequence found in the U. S. Reports; instead, the cases were paginated continuously through the volumes in each term, and an alphabetical index of cases was provided in the first volume of each term. Scholarly Resources decided that a more efficient index should be available to researchers, and therefore our index for 1832-1860 not only lists all the cases in the Records and Briefs, along with the volume and page numbers of the cases as they were bound in the Jenkins Law Library, but it also provides the U. S. Reports citation for each case, and, of course, the number of the microfilm reel in which each case can now be found.
